

# TRANSFORMATIVE MANAGEMENT SOLUTIONS, LLC

## CORPORATE CAPABILITIES STATEMENT

### ABOUT TMS

Transformative Management Solutions, LLC is a HUBZone company specializing in program and project management support for the Departments of Homeland Security and Defense. Our headquarters is in Blacksburg VA at the Virginia Tech Corporate Research Center, and we maintain a local presence in the DC Metro Region to support on-site consultations with customers.

## CORE COMPETENCIES

### PMO SUPPORT SERVICES

- Acquisition strategy and lifecycle tailoring for programs subject to DoD 5000.02, DHS 102-01-001, or other policy frameworks
- Documentaton writing, technical editing, and quality assurance
- Microsoft Teams and SharePoint Tenant/Site Administration

### MICROSOFT POWER PLATFORM SOLUTIONS

For Microsoft 365 customers we can help rapidly build full business solutions using Power BI, Power Apps, and Power Automate:

- Power BI - Beautiful, interactive cross-platform data analytics and visualization tool
- Power Apps - Custom business applications hosted in the Microsoft Cloud
- Power Automate - Automated workflow engine to support a wide variety of business needs

### EARNED VALUE MANAGEMENT

- System design and implementation in compliance with the EIA-748 standard
- System compliance, surveillance, and integrated baseline reviews in accordance with DCMA EVMS center business practices
- EVMS outsourcing

### PROJECT SCHEDULING

- Schedule development and maintenance in accordance with DoD and GAO recommended best practices
- Project Server/Online administration, including management of enterprise resources, portfolios, master/sub project integration and SharePoint customization
- Schedule Health and Execution Analysis based on DoD and GAO recommended best practices
- Schedule Risk Analysis based on beta distributions of task uncertainty and probabilistic branching

## OUR CUSTOMERS

While TMS is a new HUBZone company, our principals have been supporting federal clients for almost three decades. Our founders have acted as the EVM focal point for major defense contractors, served on industry standards boards for project management, and continue to contribute to the development of GAO standards for cost and schedule management. Contact us for more information on how we can help you achieve your project planning and control goals.
